Submitted: According to the rule 380, clause 5 of the Jail Manual vol I, as it stands at present the jail staff cannot get any article manufactured or petty jobs done for their personal use, without the permission of the Dy of Prisons.

Sir,

I have the honour to state that as provided under ule 380, Clause 5, of the Mysore Jail Manual, no Jail official an get any article manufactured for him in the Jail except with the knowledge and permission of the Inspector-General". ecessarily, each time a Jail Official requires any small articl ade or petty job done for him in the Jail, he has to apply for ermission to the Inspector-General. This involves correspon- ence and is inconvenient to the party concerned. In the Jails n the Bengal and Madras Presidencies, the Superintendents hemselves are competent under the rules in force (Vide Rule 406 6) Madras Jail Manual and 798, Bengal Jail Code) to permit rticles being manufactured in the Jail for Jail Officials. am therefore of opinion that the Superintendents of the Jails ere should similarly be vested with the power to sanction the xecution of such works in the Jail for Jail Officials and ccordingly propose that the Rule 380 Clause (5) be amended as ollows:-

"Except as permitted by this rule, no prisoner shall at ny time be employed by any Officer of the Jail or other person n private work of any kind except such as may be carried on in he ordinary course of any Jail industry, with the knowledge and ermission of the Superintendent and subject to the payment of he full charges for such work".

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

I have the honour to state that as provided under Rule 380, Clause 5, of the Mysore Jail Manual, no Jail official can get any article manufactured for him in the Jail except "with the knowledge and permission of the Inspector-General". Necessarily, each time a Jail Official requires any small article made or petty job done for him in the Jail, he has to apply for permission to the Inspector-General. This involves correspondence and is inconvenient to the party concerned. In the Jails in the Bengal and Madras Presidencies, the Superintendents themselves are competent under the rules in force (Vide Rule 406 (6) Madras Jail Manual and 798, Bengal Jail Code) to permit articles being manufactured in the Jail for Jail Officials. I am therefore of opinion that the Superintendents of the Jails here should similarly be vested with the power to sanction the execution of such works in the Jail for Jail Officials and accordingly propose that the Rule 380 Clause (5) be amended as follows:-

"Except as permitted by this rule, no prisoner shall at any time be employed by any Officer of the Jail or other person on private work of any kind except such as may be carried on in the ordinary course of any Jail industry, with the knowledge and permission of the Superintendent and subject to the payment of the full charges for such work".

I have the honour to be,
Sir,
Your most obedient servant,

Offg. Inspector-General of Prisons.

"Except as permitted by this rule no prisoner shall at any time be employed by any officer of the Jail or other person on private work of any kind except such as may be carried on in the ordinary course of any jail industry, with the knowledge and permission of the Superintendent and subject to the payment of the full charges for such work."
